#### BIP O IN MAY:

5. Lay Evenings and Monday Matinees are special for Senior Citizen's 62 years or older. They'll receive \$5 off any packages, identification required. We're celebrating May Wedding Anniversaries on Sunday the 23rd. Show your marriage certificate when you buy your pack and your spouse receives the same pack absolutely free.

Monday nights are "Double Up" nights. Tell the Host/Hostess your favorite number from 1 to 75, they'll give you a card with your lucky number on it. Sign your card and if you Bingo on your lucky number you'll get double the amount. If your number is in your Bingo receive an extra \$50. Save this card and have it stamped every Monday night this month so you can enter the "Double Up" drawing on the 31st. Cash prizes are awarded depending on the # of stamps on your card. 1 stamp - \$50, 2 stamps - \$100, 3 stamps - \$200, and 4 stamps - \$400!

On Tuesday night the 4th the Floor Clerks will be running a special on 1 star packs. The 25th is Customer Appreciation night, get a coupon of the same value as the pack you buy. Play free on your next visit.

Wednesday nights are "Progressive Nights"! Be here on the first Wednesday of the month to start the Progressive, you'll receive a \$5 discount on any pack. Come each consecutive Wednesday night for a \$10 discount, \$15 discount, and \$20 on the 4th week, plus a chance at \$250 cash drawings the first Wednesday night in June. Remember if the Progression is broken at any time, you'll revert back to the \$5 discount from the first week.

It's half price night on Thursday the 13th. Friday's are still "Second Chance" during both Sessions, giving you two chances to win on all one star games. Winners Circle is on the 28th during Both Sessions.

Start Saturdays out with the "B" special! The first "B" number called during Matinee will determine the price you pay for a single pack in the Evening. You'll receive a "B" special card at Matinee — cannot be upgraded. Saturday Evening the 15th is Pull Tab Customer Appreciation and we'll have Let's Make a Deal on the 29th.

Bingo would like to congratulate Monte Longfield of Lake Mills, Iowa, on his big "Win" on Saturday, April 10th, his birthday. Monte had a full card Bingo on the bonanza game in 48#'s or less which gave him \$500 for the Round Robin portion plus \$50,000 for the full card for a total of \$50,500. "Happy Birthday, Monte!"

Congratulations to Sherri Ann Brady from Inver Grove Heights for her win of \$5000 with a Full Card on the Bonanza game during the Matinee session April 2nd.

Congratulations also go to the Pull Tab Big Winners. Richard Hart, Michelle Strunk, Nellie Mallette, Jeanne Pedersen and Richard Dreyling, Jr. All won \$5000 playing the Flaming Treasure Pull Tabs. Ask our Pull Tab clerks about our High Stakes Pull Tabs!

Hi Branda:

\*\*\*\*\*\*\*\* MAKE 1992 YOUR YEAR TO INCREASE BUSINESS THROUGH QUALITY PROMOTIONS \*\*\*\*\*\*\*

Enclosed is the order information for your reference.

There are three parts to the information.

Part One, all orders from May 1991 through December 1991;

Part Two, all orders from January 01 to Current, 1992;

Part Three, all orders, by levels, for the Captain's Club program. I know you don't work that program, but I thought you might like to know where something came from, should someone ask.

If you would, perhaps you could give a copy of the Captain's Club information to Julie Costello, as Elliott has indicated she is now handling that program.

The information is listed by the PO Number and date entered in my system. Sometimes the date entered will not correspond to the date ordered, as some items were but on hold, then ordered later.

If you have any questions, please let me know.

Many thanks!!!

Have a good weekend or week, depending on when you get this!

### IN THE UNITED STATES PATENT AND TRADEMARK OFFICE BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD

Prairie Island Indian Community, a federally recognized Indian Tribe,

Petitioner

vs.

Treasure Island Corporation,

Respondent.

PETITION FOR CANCELLATION

Cancellation No.

Mark: TREASURE ISLAND AT THE MIRAGE THE ADVENTURE

RESORT

International Class 42 U.S. Class 100, 101

Registration No. 1,981,369

Date of Issue: June 18, 1996

The Prairie Island Indian Community, a federally recognized Indian Community located and doing business at 5636 Sturgeon Lake Road, Red Wing, Minnesota (Petitioner), believes that it is or will be damaged by Registration No. 1,981,369 and submits this Petition to cancel same.

Description of Respondent's registration: Filed on July 23, 1993 for the mark TREASURE ISLAND AT THE MIRAGE THE ADVENTURE RESORT registered on the Principal Register in International Class 42 and U.S. Class 100, 101 for hotel services; claimed first use on November 22, 1993.

As grounds of this Petition, it is alleged that:

1. Petitioner has adopted and continuously used the service mark TREASURE ISLAND since at least as early as January 1, 1990 to the present in the area casino and related gaming services, including of hotel, restaurant and bar services. From January 1, 1990 to December 20, 1996, the Petitioner offered hotel services in the nature of arranging for lodging of casino patrons. From December 20, 1996 to the present the Petitioner offered hotel services at its hotel property attached to its casino. Petitioner's service mark has been registered with the state of Minnesota. A copy of this registration is appended to this Petition as Exhibit A. The Petitioner's first date of use and its state registration are prior to the date of filing of Respondent's application and prior to the date of Respondent's claimed date of first use. In view of the similarity of the respective marks, and the closely related, and in some instances identical, nature of the services of the respective parties, it is alleged that Respondent's registered mark so resembles Petitioner's mark, as to be likely to cause confusion, or to cause mistake, or to deceive within the meaning of Section 2(d) of the Trademark Act.

PLAINTIFF EXHIBIT

- There is no issue as to priority of use. Petitioner's date of first use and state 2. registration are long prior to the date of first use of the Respondent, November 22, 1993. Petitioner, since at least January 1, 1990, has been and is now using the mark TREASURE ISLAND in the area of casino, hotel, restaurant and bar services and has in the past and is now using the mark on and in connection with promotional materials including, among other things, souvenir items and clothing. Said use has been valid and continuous since said date of first use and has not been abandoned. Petitioner's mark is symbolic of extensive good will and consumer recognition built by Petitioner through substantial amounts of time, money and effort in advertising and promotion. Petitioner has expended considerable effort and money in promoting its service mark TREASURE ISLAND and the goods and services sold under such mark, with the result that the relevant public has come to associate, know, rely upon, and recognize the products and services of Petitioner by such mark. Petitioner has exceedingly valuable goodwill established in its mark. In view of the similarity of the marks at issue in this Petition, and the closely related, and in some instances identical, services of the respective parties, it is alleged that Respondent's mark is likely to cause confusion, or to cause mistake, or to deceive within this meaning of Section 2(d) of the Trademark Act.
- 3. Petitioner, since at least January 1, 1990, has been, and is now offering and selling goods and services under the mark TREASURE ISLAND. Said use has been valid and continuous since said date of first use and the relevant public has come to associate, know, rely upon and recognize the services of Petitioner by said mark. Petitioner has an exceedingly valuable goodwill established in its mark. In view of the similarity of the marks at issue in this Petition, and the closely related, and in some instances identical, nature of the goods and services associated with the marks, it is alleged that the Respondent's mark, when used on or in connection with the goods and services of Petitioner, is likely to cause confusion, or to cause mistake or to deceive, within the meaning of Section 2(d) of the Trademark Act.
- 4. If the Respondent is permitted to retain the registration sought to be canceled and, thereby, the prima facie exclusive right to use in commerce the mark TREASURE ISLAND AT THE MIRAGE THE ADVENTURE RESORT in connection with the related and identical goods and services promoted and sold by Petitioner, confusion in the trade is likely to result. Any concurrent use of Petitioner's mark and that of the Respondent creates a likelihood of confusion, mistake, and/or deception, all to the great detriment of Petitioner, who has expended considerable sums and efforts in promoting its mark.

5. The relevant market is likely to consider the goods and services of the Respondent sold and promoted under the mark TREASURE ISLAND AT THE MIRAGE THE ADVENTURE RESORT as emanating from Petitioner. The relevant market is likely to purchase or otherwise use Respondent's goods and services as those of the Petitioner, resulting in harm, financial and otherwise, to Petitioner

6. Concurrent use of the mark by the Respondent and Petitioner may result in irreparable damage to Petitioner's reputation and goodwill, if the goods and services sold by the Respondent are inferior, since purchasers and users of the relevant services are likely to attribute the source of the Respondent's goods and services to the Petitioner.

7. If the Respondent is permitted to retain the registration sought to be canceled, a cloud will be placed on Petitioner's title in and to its mark TREASURE ISLAND, and on its right to enjoy the free and exclusive use thereof in connection with the sale and promotion of its goods and services, all to the great injury of the Petitioner.

WHEREFORE, Petitioner prays that Registration No. 1,981,369 be cancelled and that this Petition for Cancellation be sustained in favor of Petitioner.

A duplicate Petition for Cancellation is being filed herewith, along with the filing fee required in § 2.6(a)(16).

Petitioner hereby appoints Jacobson, Buffalo, Schoessler & Magnuson, Ltd., a law firm composed of ten attorneys, all members of the bar of the State of Minnesota, and Haugen & Nikolai, P.A., a law firm composed of seven attorneys, all members of the bar of the State of Minnesota, to act as attorneys for Petitioner herein, with full power to prosecute said Petition, to transact all relevant business with the Patent and Trademark Office and in the United States Courts and to receive all official communications in connection with the Petition for Cancellation.
